SUBJECT: Donated batons from Japan

Dear President Noriko ,

On behalf of the Philippine Baton Twirling Association and all the twirlers of the Philippines, I would like to humbly thank the Baton Twirling Association of Japan and all the generous twirlers of Japan for kindly donating batons to the Philippines.

As you will see from my attached photos the twirlers are very happy to receive these batons. Actually, the donated batons from Japan are prized, there are many people asking for your donated batons. We really appreciate your very kind donations and once again thank you very much.

Yours sincerely,
